HOPE AND INSPIRATION

Join us for an incredible story from **NIC SHEFF**, a life-changing speaker who was the inspiration for the major motion

picture. He will share his authentic story of substance abuse and recovery.

THE GEORGE HUTHER JR. MEMORIAL AWARD

We are proud to honor a leader in our community with the annual George Huther Jr. Memorial Award at the Friends for HOPE Breakfast.

The award recognizes a deserving recipient whose contributions have enhanced the lives of not only individuals coping with substance use disorder, but their families and communities, as well.

Huther Doyle is dedicated to helping individuals and their families make positive changes in their lives through rapid access to individually focused recovery and wellness programs. To continue our mission, we are looking for members of the community to get involved. You can support our important efforts through the sponsorships below. We would appreciate any level of commitment you feel you can make.
